

STAY SAFE, STAY in[n]Athens

A new era of hospitality begins and here at in[n]Athens we are ready to welcome our guests safely back to our city. We are constantly updating our procedures to comply with all health and safety regulations for visitors as well as our staff. Read in detail all the instructions for a safe hospitality experience and enjoy your stay in our premises.

Safety during your stay at in[n]Athens

- Keep the required recommended distance of 1.5 m in all common areas
- Wear a mask in common spaces
- Use antiseptic when entering the premises and wash your hands frequently and thoroughly
- Proof of payment via e-mail
- Prefer Contactless Payments
- Prefer your breakfast outdoors

Cleaning | Disinfection

- Rooms and common areas are constantly disinfected and cleaned with antibacterial products of international cleaning standard following the instructions of EODY
- Hand sanitizers are available in all public areas and our hotel rooms
- During your stay change of linen is avoided and will be done upon request following the instructions of NPHO
- The air conditioners of all rooms and common areas are regularly maintained and disinfected

Precautions

- Disposable gloves and masks are provided free of charge to our guests

- Non-residents are not allowed to enter the hotel
- It is recommended to avoid using the elevator and you can only share the elevator with guests of the same room

Staff Training | Partners' Regulations

Our staff and associates wear face masks and gloves to provide any service to hotel guests. We follow closely the latest instructions from the World Health Organization, the Greek Ministry of Health, the Ministry of Tourism and the Hotel Chamber of Greece so that our staff is constantly trained for all the latest information about Covid-19.

Public Spaces

We suggest you take your breakfast outdoor in our atrium. Regarding the reception and breakfast area, the spacing of our tables and the maximum number of guests allowed follow the instructions of the authorities.

Personal Data

Our hotel is required to record your personal details (name, ID number, phone number, email and address) and keep them for up to 30 days. They will then be deleted following the GDPR regulations.
